Dear Dr. Kaufman:

I sincerely appreciated your letter concerning problems in the areas of psychological and emotional disturbances. Our Agency's staff psychiatrists and psychologists have studied behavioral predictability for several years, working in close association with many of the local leaders in this field.

I have asked  of our Medical Staff, to get in touch with you in the very near future to arrange an appointment at your convenience to elicit some of your ideas on this challenging subject.

Dear Dr. Kaufman:

I sincerely appreciated your letter concerning problems in the areas of psychological and emotional disturbances. Our Agency's staff psychiatrists and psychologists have studied behavioral predictability for several years, working in close association with many of the local leaders in this field.

One of our Medical Staff will be in New York within the next few months, so I shall ask him to contact you in order to elicit some of your ideas on this challenging subject.

Thank you again for your expression of interest in our objectives.

Sincerely,
